Full-Text Plus™ editorial enhancements

■ WEST KEY NUMBER SYSTEM

The West Key Number System® classifies American law into more than 400 topics – 100,000 subtopics – accelerating your research by directing you to specific points of law.

■ CASE SYNOPSSES AND HEADNOTES

West case synopses and headnotes consolidate and summarize the facts, issues, procedural history, holdings and disposition of a decision. As a result, a Westlaw search can retrieve relevant cases that an opinion-only search *might miss*.

Research that's fast, efficient and accurate

■ PLAIN-ENGLISH SEARCHING

Enter a description of your issue in standard English to retrieve the documents most closely matching the concepts in your description.

■ KEY NUMBER SEARCHING

On Westlaw, specialists assign a Key Number to every point of law based upon the concepts discussed within the case. Using this Key Number information in searches substitutes highly precise terminology for often ambiguous language. And finding just one case on-point leads directly to others – in any jurisdiction.
