

America's first legal encyclopedia is available online. Exclusively on Westlaw.

Generations of legal researchers have turned to *Corpus Juris Secundum*® (CJS®) to begin research in unfamiliar areas of law.

Each CJS article provides the principles of law applicable to an issue – plus a full range of authority.

Now you can search CJS using the full power of Westlaw. It's a great way to gain an understanding of an unfamiliar area of law – and to find links you can follow to cases, statutes, regulations, West Key Numbers, Restatements of the Law, and other relevant information.

Westlaw® is the premier online legal research service, providing *better results faster* through:

- Comprehensive legal content, including the largest collection of briefs and other court documents
- Tools to help you find it faster, such as the West Key Number System® and ResultsPlus®
- Trusted accuracy, with unsurpassed editorial processes that make over 100,000 opinion corrections every year

Take a look at the wealth of information you will have access to with Corpus Juris Secundum on Westlaw.

Covers the full depth and breadth of the law

In CJS, you'll find coverage of more than 400 alphabetically arranged legal topics: civil and criminal – substantive and procedural – state and federal.

Cited time and time again by the courts

There's no greater testimony to the trustworthiness and authoritativeness of CJS than the fact that it's been cited more than 100,000 times by courts at all levels.

Black Letter Summaries provide a quick overview

CJS sections begin with concise Black Letter Summaries that give an overview of the discussion that follows.

Fully integrated with the West Key Number System

When you find on-point commentary in CJS, you'll find West Key Numbers that let you quickly expand your research to on-point cases in any or all jurisdictions.

Current and cutting-edge

Updated regularly, CJS articles provide current coverage of recent legal developments and today's hot legal issues.

Respond quickly and confidently to unfamiliar legal issues

When clients raise concerns outside your area of expertise, CJS lets you provide prompt answers – and make well-informed decisions about whether to accept a case.

A great place to start your research

When a client presents you with an issue in an unfamiliar area of law, CJS on Westlaw is a great place to start. You'll gain a comprehensive overview of the topic and an understanding of the current state of the law in that area. CJS will help you provide prompt, authoritative answers to your client – and perhaps handle matters you might otherwise have had to refer to another attorney.

More comprehensive analysis

- Topic and Scope let you find relevant information quickly
- Detailed legal analysis of each topic helps you understand all considerations involved
- More exceptions to the rule
- More subtle distinctions
- Extensive citations to the latest authorities – cases, statutes, and regulations – plus older controlling cases
- To help you locate the law you need, citations tell you when a case has been modified
