

# All Analytical Library

The All Analytical Library combines expert legal analysis with forms, jury instructions and more. This impressive collection of titles enables quick review of specific points in familiar areas of law *and* helps you cover unfamiliar ground with speed and ease.

## American Law Reports (ALR®)

A superior collection of annotations (articles) that organizes and evaluates all case law relevant to a specific point of law or fact situation. ALR articles look at both sides of an issue, which helps you anticipate your opponent's arguments.

## American Jurisprudence, 2D (AM JUR®)

Encyclopedic coverage of over 400 topics, Am Jur helps you gain a quick understanding of unfamiliar areas of law, helping you offer authoritative answers to client questions – and propose a sound course of action.

## Restatement of The Law

A chronological perspective of your specific points of law, Restatements is accepted in many courts as persuasive authority. With discussion by nationally known scholars, you'll know exactly what the current status of the law is, and where it is likely to go in the future.

## American Jurisprudence Pleading and Practice Forms Annotated

More than 36,500 forms covering every stage of state and federal litigation.

## American JURisprudence Proof Of Facts

Winning case foundations and presentations with articles by experts well-known in their legal, medical and scientific/technical fields add authoritative and decisive insights to the premise of your case.

## American Jurisprudence Trials

Articles showcasing successful techniques and strategies in actual cases. Model Trial Articles cover the spectrum of personal injury, business and criminal litigation.

## Causes of Action

Articles on virtually every type of civil action. Causes of Action provides detailed legal analysis to assess whether your client has a case or defense that will hold up in court.

## Wright & Miller Federal Practice and Procedure®

The definitive treatise on practicing law in the federal courts.

## West's® Federal Forms

Litigation-tested federal procedural forms, with accompanying commentary for use in civil and criminal litigation. Companion to the Wright & Miller treatise.

## Federal Procedure

A topically driven practice guide to federal, civil, criminal and administrative procedure.

## Federal Procedural Forms

A compilation of practice-tested, up-to-date federal forms to accompany the Federal Procedure treatise.

## Handbook Of Federal Evidence

Follows the Federal Rules of Evidence, and includes the full text of each rule and its legislative and committee history, taking into account every reported federal rule of evidence over the past quarter century.

## Federal Jury Practice and Instructions, 5th

Background information, commentary, model/pattern instructions and citations that help you tailor jury instructions to fit your case.

## Law Reviews and Journals

A collection of over 600 of the most respected law reviews and bar journals.
